

**St. Charles County Parks  
Youth Activity Park Flying Field Rules**

1. Drones, weighing under 55 pounds, are the only Unmanned Aircraft Systems allowed to operate on the Youth Activity Park Flying Field.
2. Must have a special use permit, issued by the St. Charles County Parks Department, on file. Applications for permits can be obtained from the County's website: [www.sccmo.org](http://www.sccmo.org)
3. Comply with St. Charles County Parks Department Unmanned Aircraft Systems Policy and FAA guidelines.
4. Use must be for hobby or recreational purposes.
5. Fly below 400 feet and clear of obstacles.
6. Do not fly near or over people.
7. Do not survey or photograph park users.
8. Do not fly in adverse weather conditions.
9. Operators must check-in at the Youth Activity Park front desk.
10. Operators, spotters and spectators will be charged an admission fee at each visit.
11. Flying is only allowed in the designated flying area.
12. No more than four pilots are allowed to fly at the same time.
13. Flights will be limited to 20 minutes on busy days.
14. Keep drone in visual sight at all times.
15. Only pilots and their spotter are permitted on the field. Spectators will not be allowed on the field when in use.
16. Failure to comply with rules and policies can result in loss of flying privileges. Refunds will not be issued to anyone that is removed from the facility.
