BOARD ACTION ITEMS

Action Item 1 - Resolution 22-06; Authorizing the Port Authority Board Chair and Board Treasurer to file an application for funds with the Missouri Highway and Transportation Commission and execute on behalf of the Port Authority any documents necessary thereto.

Sallie Hemenway explained to the board that MoDOT reached out and stated that they have some remaining FY22 administrative funds, and they asked if the St. Charles County Port Authority had any administrative costs related to transit between July 1, 2021 through June 30, 2022 that they would like to submit to them for reimbursement. She stated that the TranSystems portion of the PGAV contract and the Nexus Group contract that the Port Authority have both qualify as reimbursable items for this funding, although those two contracts are in excess of the remaining amount of FY22 funds available from MoDOT. In order to take advantage of these funds, the Port Authority must submit an invoice to MoDOT by June 15, 2022. If Resolution 22-06 is approved by the board, it would authorize the Port Authority Board Chair and Treasurer to take the necessary steps needed to file an application for these funds and execute any necessary documents on behalf

of the Port Authority to obtain this funding from MoDOT. Should these funds be approved and obtained from MoDOT, they will go towards reducing the Port Authority's the obligation to St. Charles County.

Chairman Roger Ellis asked for a motion to approve Resolution 22-06, Authorizing the Port Authority Board Chair and Board Treasurer to file an application for funds with the Missouri Highway and Transportation Commission and execute on behalf of the Port Authority any documents necessary thereto. Ken Dobbins made such motion, and the motion was seconded by Monica Combest. A roll call vote was taken and the vote on the motion was as follows: Don Boehmer - yes, Monica Combest - yes, Ken Dobbins - yes, Tammy Holen - yes, Jeff Rothermich – absent, Hyatt Bangert – absent, Roger Ellis – yes. Resolution 22-04 was approved 5-0.

MEETING ADJOURNMENT

Chairman Roger Ellis asked for a motion to adjourn the meeting. The motion was made by Ken Dobbins and was seconded by Don Boehmer. The meeting was adjourned at 4:35 PM.

NEW BUSINESS

Economic Development Update - Scott Drachnik, President & CEO, EDC of St. Charles County

Scott Drachnik, President & CEO of the Economic Development Council of St. Charles County, did a presentation for the board members which highlighted target business sectors, recent business lead activity, recent outreach meeting and events, St. Louis Regional trade delegation to Germany, promoting sites and building, and an unemployment comparison for the St. Louis Region March 2022.

Monthly Treasurer's Report to the Board - Sallie Hemenway

Sallie Hemenway handed out a summary of expenses and revenues for 2020, 2021, and 2022 to the board members. These items will be reported to the board on a monthly basis from now on, starting with the July meeting.

Missouri Port Authority Association Activities and Membership - Sallie Hemenway

Sallie Hemenway stated that the Missouri Port Authority Association is a member based organization and each Missouri Port Authority automatically has a seat on the board. They offer associate membership positions, which can be obtained by engineers, construction contractors, accountants, or other interested parties that work with Port Authorities across the state. The current officers for the Missouri Port Authority Association are Mandy Brink from the Southeast Missouri Regional Port Authority, President, Ralph Martin from Lewis County-Canton Port Authority, Vice-President, and Amanda Schuster from Howard/Cooper County Regional Port Authority, Secretary. The MPAA holds four meetings each year, and their fiscal year mimics the state's fiscal year so it runs from July 1st to June 30th. The MPAA's board graciously waived the membership dues for the St. Charles County Port Authority for this fiscal year, which allowed herself and Michael Hurlbert to attend their summer meeting on June 7th and June 8th. MoDOT participates heavily in two of the four yearly MPAA meetings and tries to facilitate Port projects that meet the demands of not only the State's planned for project funding, but also the administration of the funding on an eligible basis. In addition to sharing historical port project, the MPAA serves a role as a recommending body to the MoDOT Commission for the use of funding towards eligible projects. Sallie Hemenway stated that she would recommend that a representative for the St. Charles County Port Authority Board this organization. Their membership dues are \$700 per person annually, and \$50 for each additional member. These dues are eligible for reimbursement from MoDOT's yearly administrative grant funds.

Update regarding marketing the current AIM Zones - Mike Hurlbert and Sallie Hemenway

Michael Hurlbert stated that information fliers have been created for the Crossroads and the Riverfront AIM Zones, and staff is currently working with the EDC and Municipal contacts to identify key employers within each of these AIM Zones.

Foreign Trade Zone Discussion and Next Steps - Sallie Hemenway

Sallie Hemenway asked the Port Authority board if they have been provided with enough information to decide if Foreign Trade Zones are something they would be interested in pursuing. It was decided that the board will continue researching possible opportunities for Foreign Trade Zones within St. Charles County and will discuss this topic more in the future.

Funding Opportunity Update - Mike Hurlbert, John Greifzu, Sallie Hemenway

Sallie Hemenway stated that there were two funding sources discussed at the Missouri Port Authority Association that were included in the state's budget for this fiscal year. The first funding source is MoDOT's annual Capital Improvement Program (CIP) for port authority capital improvement projects. This funding is typically \$12-million dollars per year which is dedicated to Missouri port authorities for capital improvement projects. The second funding source that was discussed is the American Rescue Plan Act (ARPA) appropriation of \$25-million dollars.

The CIP funds are Federal funds that are allocated to MoDOT on an annual basis and are then distributed to Port Authorities by MoDOT through an application process. This process is actually a year ahead, so currently they are looking for applications for 2024 project funding.

The ARPA funds are Federal funds that were allocated to MoDOT on a one time basis and will be distributed by MoDOT by using the same application guidelines as the CIP funds, but these funds will be available for fiscal year 2023.

Project Proposal presentations - Cities in Port jurisdiction

Mike Klinghammer, Director of Economic Development for the City of St. Charles, and Daniel Mann, City Engineer for the City of St. Charles, presented two projects for 2024 CIP funding consideration to the Port Authority board which included a riverfront dock project and a Historic Main Street extension project.

Chairman Roger Ellis asked for a motion to approve the drafting of a Resolution and any necessary contracts regarding funding distribution for these two projects for the City of St. Charles. Ken Dobbins made such motion, and the motion was seconded by Jeff Rothermich. The motion was approved by unanimous voice acclamation.

Ryan Graham, Director of St. Charles County Parks and Recreation, presented a project for 2024 CIP funding consideration to the Port Authority board for a courtesy dock and parking lot expansion project in Klondike Park.

Chairman Roger Ellis asked for a motion to approve the drafting of a Resolution and any necessary contracts regarding funding distribution for this project for St. Charles County Parks and Recreation Department. Don Boehmer made such motion, and the motion was seconded by Tammy Holen. The motion was approved by unanimous voice acclamation.
