Dear County Executive and Council Members:

The attached agreement provides the successful contractor team on the I-70 from Cave Springs to Fairgrounds project permission to work on county right-of-way, if needed, for storm sewer, utility and roadway work. This agreement is nearly identical to the agreement that the county executed in 2015 for Phase III/Route 364 (Page Avenue Extension). The cities of St. Charles and St. Peters are executing similar agreements for work in their jurisdiction.

Please contact me at 636-949-7490 or abrauer@sccmo.org if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Amanda J. Brauer".
