***Re: CUP21-20 Application – 2440 South Hwy 94***

Dear Ms. Marr and Mr. Myers:

This letter is to formally request that the bill to consider the conditional use permit set on the November 17, 2021 Planning and Zoning agenda be tabled to allow for additional time to discuss outstanding issues recently raised by neighbors of the property. The Applicant has scheduled a meeting with the neighbors in order to fully understand and discuss possible resolution of any outstanding concerns. My clients believe that with the additional time they will be able to more fully address the concerns expressed and revise the plan accordingly.

If you or any member of the Board should have any questions, please call me. Thank you for your consideration.

Sincerely,  
**SmithAmundsen LLC**
