RE: Bill for Introduction-Approval of Election Efficiency Grant from Missouri Secretary of State

The bill associated with this memo is for approval of the annual grant award from the Missouri Secretary of State for reimbursement of 2022 election costs detailed in page 2 of the grant award letter. The grant proceeds of \$56,227.81 are not included in the 2022 Budget in Fund 234, Election Authority Fund therefore I am requesting an increase to Fund 234 revenue and election costs expense.
