

## MEMORANDUM

**TO:** Members of the County Council  
County Executive Steve Ehlmann

**FROM:** Chief Kurt Frisz

**RE:** Ordinance Authorizing the Police Department to Execute the St. Charles County Critical Incident Response Team MOU

**DATE:** January 5, 2022

---

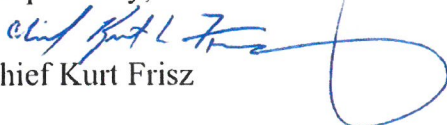

Dear Members of the Council and County Executive Ehlmann,

Recently, most law enforcement agencies within St. Charles County have found the need to establish an accepted means of coordinating the investigation of critical incidents. The ordinance before you authorizes an agreement between those cities' law enforcement agencies.

If authorized, this agreement will bring together experienced investigators to investigate officer involved shootings and other major level incidents that may not necessarily meet the criteria for Major Case Squad activations. Bringing multiple agencies together in these investigations increases available resources and expertise and will contribute to a more successful outcome.

Thank you for your consideration.

Respectfully,

  
Chief Kurt Frisz
