➤ **PUBLIC COMMENTS**

Arnie C. Dienoff, O'Fallon resident, stated that all meeting packets and items for Port Authority Meetings should be posted at least 72 hours prior to meetings and all of the Port Authority's meetings should be video recorded and posted online for the public to access. Mr. Dienoff stated that he feels that it is unnecessary and premature at this time for the Port Authority to hire any staff members. He also stated that he feels that Roger Ellis serving as Chairman for both the St. Charles County Planning & Zoning Commission and the St. Charles County Port Authority is a conflict of interest, and that Don Boehmer serving on both the St. Charles County Board of Equalization and the St. Charles County Port Authority is also a conflict of interest.
