Dear County Executive and Council Members:

The attached bill provides emergency funding to the City of O'Fallon for replacement of the N. Cool Springs Road bridge which was found to be structurally deficient during a recent inspection. The bridge is currently open to one lane of traffic with load restrictions leading to detours for school busses and other heavy vehicles. Design is currently underway for the new bridge structure and construction will begin as soon as possible. This project has been approved for 50% funding of construction costs (\$222,000) by the Road Board.

Please contact me at 636-949-7490 or [abrauer@sccmo.org](mailto:abrauer@sccmo.org) if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Amanda J. Brauer".
