

## MEMORANDUM

**TO: St. Charles County Council**

**FROM: Ryan Graham, Director of Parks**

**RE: Expanding Existing Easement over KATY Trail with MO State Parks at Klondike.**

**DATE: 4/20/2022**

---

For your consideration is an easement expansion and crossing access over the KATY trail at Klondike Park. The Parks Department currently has a easement that allows crossing of the KATY by maintenance vehicles. With the planned excursion dock construction for the Hoffman Family of Companies "Miss Augusta" boat at the Klondike boat ramp, there is a need to have electrical access. This easement will allow construction vehicles to cross over the KATY trail in order to build an electrical platform and connect electrical service to the Klondike boat ramp. Missouri State Parks requested this update to allow this additional use over the KATY Trail.

Please let me know if you have any questions, concerns or would like to discuss further.

Thank you,

Ryan Graham  
Director of Parks
