RE: New Electrical Easement to Cuivre River Electric Cooperative, Inc.

DATE: 4/5/2022

For your consideration is right-of-way easement to Cuivre River Electric Cooperative, Inc for Oglesby Park. This easement is necessary for Cuivre River to replace and bury existing electrical service in order to service the new development, shelters, restrooms and future park amenities. Burying the lines will eliminate unsightly above ground lines that detract from this historic area and will help prevent power loss from downed trees and wildlife. This easement is to benefit the park.

Please let me know if you have any questions, concerns or would like to discuss further.

Thank you,

Ryan Graham
Director of Parks
