TO: St. Charles County Council

FROM: Ryan Graham, Director of Parks

RE: Intergovernmental Agreement with St. Peters for Blueway access.

DATE: 7/5/2022

For your consideration is an intergovernmental agreement with St. Peters regarding plans to construct a new access point on the Dardenne River Blueway. The new landing will be at Lone Wolff Park in the City of St. Peters. Since opening the first section of "Blueway Trail" from Riverside Landing to 370 Lakeside in May of this year, the blueway has become a very popular feature allowing people to access the water for recreation. This new section from 370 Lakeside to Lone Wolff will open another five miles of creek for use.

The project will be managed by the City of St. Peters and the cost will be split between the City and the County with the County's portion not to exceed \$30,000.

Please let me know if you have any questions, concerns or would like to discuss further.

Thank you,

Ryan Graham
Director of Parks
