RE: Emergency Ordinance to Temporarily Waive Certain Recycling Fees and
Discount Building and Floodplain Development Fees to Assist Residents
Recovering from Flash Flooding on July 25 and 26, 2022

The purpose of this bill is to temporarily waive recycling fees and reduce building and floodplain development fees to assist resident recovering from the flash flooding due thunderstorms and heavy rains on July 25 and 26, 2022. The County Council took similar action on December 20 when it approved Bill No. 5035 (Ord. No. 21-094) after the December 10, 2021 tornado.
