RE: \$18,000 Discretionary Funds offered by MO Dept. of Higher Education & Workforce Development
DATE: June 29, 2022

I am pleased to let you know we are receiving an additional \$18,000 in discretionary funds from the Missouri Department of Higher Education & Workforce Development. These discretionary funds are to be used purchase program-related supplies.

Notice of the availability of these funds was received on Tuesday, June 28, 2022. Items purchased with this funding must have an invoice dated between 6/1/2022 and 6/30/2022.

We have worked closely with the Information Systems Department and have identified some technology options that would significantly update some of our older technology.

As a result, we need the County Council to approve the additional intergovernmental revenues of \$18,000. Account information for the ordinance is as follows:
