FROM: John Lyons, County Engineer

RE: Petition for Public Acceptance – Streets & Storm Sewers
Jaxson Estates Plat Five

Date: July 22, 2022

Attached you will find the "Petition for Public Acceptance" for the streets and storm sewers in the Jaxson Estates Subdivision, Plat Five. Jaxson Estates is located south of Dietrich Road near the intersection of Jaxson Drive and Marathon drive. This subdivision includes 26 lots, one street (Slapshot Drive) and the continuation of Marathon Drive and Umpire Drive.

As all public improvements within this subdivision have been inspected and found to be constructed in compliance with St. Charles County standards, and all deficiencies have been corrected, we recommend acceptance of the streets and storm sewers for public maintenance.

If you are agreeable, kindly forward this information to the County Council office for inclusion on the August 8, 2022 County Council consent agenda.

Should you have any questions or need any additional information, please advise.
