**RE:** Certification of Additional Revenue – Missouri Department of Higher Education & Workforce Development Funding – Workforce & Business Development Department

By this correspondence, I hereby certify that, pursuant to Section 6.206.1 of the St. Charles County Home Rule Charter, there will be available for appropriation additional revenues in excess of those estimated in the adopted 2022 budget of the Workforce & Business Development Fund in the amount of \$92,205 for the purpose of a supplemental appropriation.

This additional revenue is the result of additional discretionary funding from the Missouri Department of Higher Education & Workforce Development in the amount of \$92,205. Accordingly, the Director of Workforce & Business Development is requesting an increase of \$92,205 in revenue account 290-33210 WIOA Grants.

I am also recommending a supplemental appropriation of \$92,205 to the Workforce & Business Development Fund. The appropriation would be for the purpose of collaborating with TalentSensus to improve connections between employers seeking new employees and job seekers needing a job or retraining. Should the County Council approve this supplemental appropriation, the amount of \$92,205 would be allocated to account 2904400-43155 Direct Participant Costs.

Accordingly, I am requesting that the St. Charles County Council approve this supplemental appropriation ordinance for the purpose described above. I appreciate your favorable consideration of this request.
