Subject: Amendment of CUP Request
Date: Wednesday, November 16, 2022 10:31:31 AM

The Sparrow's Nest would like to amend our CUP request for tonight's hearing.

We are reducing the number of children that will be served in the facility from 10 to 5.

Please let me know if the agenda will be able to be updated for tonight's meeting or if I need to mention this instead during my remarks.

Thanks again for all of your assistance.

Board President
