Dear County Executive and Council Members:

The attached agreement is for the use of CMAQ funds to design and implement an automated traffic signal performance module (ATSPM) on the following routes: Jungermann Road from Boone Hills Drive south to Old Highway 94, Salt Lick Road from north of I-70 south to Spanish Trail Drive, and Spencer Road from Premier Parkway south to Willott Road located in the St. Charles County area. The system will utilize components of the GGL network to provide improved data from all signals in the corridor allowing for improved efficiency for drivers as traffic volumes change.

The anticipated cost of the system and associated improvements is \$2,370,326, of which \$1,896,261 will be paid by the federal reimbursement.

Please contact me at 636-949-7490 or abrauer@sccmo.org if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Amanda J. Brauer".
