Dear County Executive and Council Members:

The attached bill allows for the County to enter into an agreement to provide \$3,000,000 in County ½ Cent Transportation Sales Tax funds in order to complete preliminary design work for future improvements and widening of Route N from Route Z to the I-64 / Route 364 interchange. The existing roadway is insufficient for expected growth in this portion of the County, but improvements remain unfunded by MoDOT. Providing funding for the preliminary design is expected to accelerate the project, and this work will be recognized as a County expense for future MoDOT Cost Share for construction of the project. This design funding has been recommended by the Road Board.

Please contact me at 636-949-7490 or abrauer@sccmo.org if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Amanda J. Brauer".
