Dear Members of the Council and County Executive Ehlmann,

Before you is an ordinance which authorizes the approval of a Memorandum of Understanding between St. Charles County Regional Emergency Management (SCCREM) and the American Red Cross. Both agencies frequently coordinate disaster recovery efforts within the limits of St. Charles County. SCCREM and the citizens of St. Charles County rely heavily on services provided in times of catastrophe. This MOU strengthens the relationship between the two agencies and provides for a more detailed expectation of services.

Please feel free to contact me with any questions or concerns. Your consideration is greatly appreciated.
