RE: Edward Byrne Justice Assistance Grant Program (JAG) Funds
Receipt

DATE: February 15, 2023

Dear Members of the Council and County Executive Ehlmann,

Before you is an ordinance which authorizes the County to receive Edward Byrne Justice Assistance Grant Program (JAG) grant funds to purchase a mobile polygraph system. This mobile polygraph system allows Police Department detectives to polygraph individuals in the field, rather than at the police station. Being mobile during investigations can often result in solving cases more quickly. With this purchase, detectives will have one more tool that assists them with investigations.

Please feel free to contact me with any questions or concerns. Your consideration is greatly appreciated.
