Dear County Executive and Council Members:

The attached bill will reimburse the County for \$1,000,000 in County ½ Cent Transportation Sales Tax funds previously provided to MoDOT to complete conceptual design work for future improvements or reconstruction of I-64/I-70/US 61 interchange. This work has been completed and MoDOT is moving forward with the project. As anticipated the provided funding for the conceptual design did help to accelerate the project. The funds were to be credited for a future MoDOT Cost Share for construction of the project, but it was decided to refund the amount so that it can be used for other current needs.

Please contact me at 636-949-7490 or abrauer@sccmo.org if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Amanda J. Brauer".
