Re: 2023 St. Charles County Equipment grant

Date: March 20, 2023

We are requesting approval of a \$160,000 grant from St. Louis Jefferson Solid Waste Management District and 2023 Budget adjustment for \$160,000 of the additional funds received. These funds will be used to purchase a horizontal baler, skid steer and tip hopper.

The required action is as follows:

Revenue: 001-33455 Solid Waste District Grant \$160,000

Appropriation: 0012640-47400 Machinery and Equipment \$160,000

Please forward the original documents to the Counselor's Office along with the County Executive recommendation to the Council for placement on the agenda for their consideration.
