Re: Intergovernmental Agreement with Missouri Department of Natural Resources

For your consideration is an Intergovernmental Agreement between Saint Charles County and the Missouri Department of Natural Resources. This agreement is being presented to allow the St. Charles County Parks and Recreation Department to rock a section of trail, approximately 200 square foot, that separates Missouri Bluffs Park from the KATY Trail. This will allow improved access to Missouri Bluff's Park, connecting the park and it's new parking area to the KATY trail.

Please let me know if you have any questions, concerns or would like to discuss further.

Thank you,

Ryan Graham
