

MEMORANDUM

TO: Steve Ehlmann, County Executive

FROM: Tracy Bayne, Acting Director of Finance *TAB*

DATE: May 22, 2023

RE: **Change Order #1 – Axon Enterprise, Inc.**
RE: Axon Taser 7 Platform

Attached please find Change Order #1 in the amount of **\$267,588.70**, to the agreement with **Axon Enterprise, Inc.** As you may remember, in December of last year the County entered into an agreement with Axon to purchase the new Taser7 to replace the existing Taser2 used by the Police Department, Sheriff's Department and Corrections. Shortly after that contract was executed Taser announced the rollout of the Taser10. The County put a hold on the delivery of the Taser7s to allow the Departments to send their Taser training officers to experience the Taser10s. After attendance at two different Taser training opportunities both the Police Department and the Sheriff's Department have requested to move to the new Taser10 platform. Because of the close quarter feature of the Taser7, the Department of Corrections would like to stay with the Taser7. Finally, the three (3) law enforcement Investigator positions in the Prosecuting Attorney's Office have also requested Tasers. This change order reflects **1) the move to Taser 10 for the Police Department and Sheriff's Department, including all training cartridges and replacement of cartridges used in the line of duty; 2) seven additional Tasers7 for the Department of Corrections and 3) three (3) Taser10s for the Investigators in the Prosecuting Attorney's Office.** This increases the total amount of the agreement to **\$954,532.56**. The County will be paying for the equipment over 5 years, without interest or charges.

Original Agreement	\$	686,943.86	
Change Order #1	\$	267,588.70	[38.95% increase]

This change order is in excess of \$50,000 of the originally approved agreement. This change order will require approval of the County Council per 135.430 OSCCMo.

The account number(s) that will be charged for this purchase are 3019800-47777, 2668500-47450, 3019800-47789, 3019800-47747 and 3019800-47740.
