RE: Concealed Carry Permit Fee Change for Records Processing Fees
DATE: November 28, 2018

The attached bill amends the ordinance related to fees for applications for concealed carry permits. The overall fee charged to County citizens remains unchanged, but the allocation of fees changes slightly to reflect increased charges from the Federal Bureau of Investigation. The fees from the FBI increased by \$1.25 (from \$12.00 to \$13.25), and the user fee charged by the Police Department similarly decreases by \$1.25 to maintain the same \$100.00 fee for applicants that is permitted by state statute.

Please do not hesitate to contact me if you have any further questions.

Sincerely,
