

MEMORANDUM

TO: Members of the County Council and County Executive
FROM: Chief David L. Todd
RE: Ordinance Authorizing MO DPS NIMS COMU Position Agreement
DATE: February 26, 2019

Dear Members of the Council and County Executive,

Before you is an ordinance authorizing the execution of an agreement between St. Charles County Regional Emergency Management and the Missouri Department of Public Safety. If approved, this agreement will allow certain Emergency Management personnel to participate in training exercises, attend communication unit meetings, and deploy as a qualified radio communications person for the Missouri Department of Public Safety in the event of a disaster. This agreement strengthens our emergency communications capabilities not only on the local level, but regionally and statewide.

Respectfully,

Chief David L. Todd
