

## MEMORANDUM

**TO:** Members of the County Council and County Executive  
**FROM:** Chief David L. Todd  
**RE:** Ordinance Authorizing the execution of STARRS Sub-Award Agreement  
**DATE:** April 25, 2019

---

Dear Members of the Council and County Executive,

Before you is an ordinance authorizing the execution of an agreement between St. Charles County and the East-West Gateway Council of Governments. If approved, this agreement will authorize the County to receive grant funded equipment and supplies to support emergency response in the St. Louis area. Specifically, these supplies and equipment will be responsibility of St. Charles County Regional Emergency Management and will support the video downlink that is provided by the Metro Air Unit. This equipment is essential to the function, maintenance and performance of the video downlink system.

This agreement strengthens our emergency response capabilities not only on the local level, but regionally and statewide.

Respectfully,

A handwritten signature in blue ink, appearing to read "D. Todd".

Chief David L. Todd
