MEMORANDUM

TO: Members of the County Council
FROM: Demetrius Cianci-Chapman, Director of the Department of Health
RE: Ordinance to authorize the County executive to accept funding for emergent public health events.
DATE: 11/18/19

Members of the Council,

The St. Charles County Department of Public health has a longstanding memorandum of understanding for the county to provide tuberculosis testing and vaccines for employees, volunteers and interns of the Missouri Department of Corrections. The MOU is being renewed.

The contract period is July 1, 2020 through June 30, 2121

Services include Hepatitis A and B vaccines and Tuberculosis testing.

The reimbursement fees are as follows:
- Tuberculosis testing: $20.00 per test
- Hepatitis A: $40.00 per dose
- Hepatitis B: $50.00 per dose
- Twinrix (A&B) Vaccine: $85.00 per dose
- Vaccine Administration - $10.00 per vaccine
