Title of Bid: New Large 10'-11' Rotary Mower

Bid #: IFB 20-065

Dept.: Parks and Recreation
Contact Person: Wesley Woods
Ext.: 1928

Description (product/service, justification and use):

This bid was published to solicit pricing for one large rotary cut mower. Bid specifications were written around the Toro 4100D mower that we currently use in several of our parks. We received two bids in response, one from MTI (Toro) and the other from Turfwerks (Jacobsen). Both of these distributors submitted bids for the 10' to 11' mower with the Jacobsen HR600 offered by Turfwerks being the low bidder.

The bid from MTI for the 4100D was $72,900.67 with the added options and meets all bid specifications.

The bid from Turfwerks for the HR600 was for $60,530.00 with the added options and meets most bid specifications.

I spoke with the sales representative from Turfwerks so that we could compare the HR600 next to the large areas mowers that we currently have. After having a demonstration mower on site and getting to compare the mowers side by side it is my opinion that although the HR600 does not meet all of the bid specifications the differences are not significant enough to warrant the spending of an additional $12,370.67 for the Toro 4100D offered by MTI.

Jacobsen also offers a 14' rotary mower the HR700 and is the only manufacturer that offers a mower of this size. It is identical to the HR600 with the exception being that the mowing decks are 25% larger. The sales representative did not include pricing for this mower in the bid because the specifications were for a 10'-11' mower. However, the cost of the HR700 with added options would be $69,874.00 which is still under the budgeted amount of $75,000.00.

The primary use for this mower will be at The Park at New Melle Lakes which has several large areas of open turf on the disc golf course. The larger HR700 will allow an additional 2.5 acres per hour to be cut over the 10'-11' mowers. This will save man hours, wear & tear and repair costs on the smaller mowers currently being used at this park.

Audit Clause for Contracts

Examination of Records

The Contractor's records must include, but not be limited to, accounting records (hard copy, as well as computer readable data), written policies and procedures, subcontractor files, indirect cost records, overhead allocation records, correspondence, instructions, drawings, receipts, vouchers, memoranda, and any other data relating to this contract shall be open to inspection and subject to audit and/or reproduction by the County Auditor, or a duly authorized representative from the County, at the County's expense. The contractor must preserve all such records for a period of three years, unless permission to destroy them is granted by the County, or for such longer period as may be required by law, after the final payment. Since the Contractor is not subject to the Missouri Sunshine Law (Chapter 610, RSMo), information regarding the Contractor's operations, obtained during audits, will be kept confidential.

The Contractor will require all subcontractors under this contract to comply with the provisions of this article by including the requirements listed above in written contracts with the subcontractors.

DOMESTIC PRODUCTS PROCUREMENT ACT (BUY AMERICAN)

The Missouri Domestic Products Procurement Act (34.250-34.359 RSMo) requires that for all bids with a value of $25,000 or more, the goods or commodities purchased by any public agency (which definition includes all political subdivisions of the State, including counties) or used or supplied in the construction, alteration, repair, or maintenance of any public works must be manufactured or produced in the United States. As defined in 34.350 RSMo, United States means the United States of America, the District of Columbia, and all territories and possessions subject to the jurisdiction of the United States. The law also requires that the bidder must provide proof of compliance. Note: In general, if an import tariff is applied to an item, it does not qualify for the Buy American preference. In addition, Most Favorized Nation status does not allow application of the preference.

Section A – All Products Are Manufactured or Produced In U.S.
If all products bid qualify as domestic products under Missouri law, complete only Section A.
I hereby certify that all products qualify as domestic, that the information provided is true and correct, and complies with all provisions of Sections 34.350-34.359 RSMo. I understand that any misrepresentation herein constitutes the commission of a class A misdemeanor pursuant to Section 34.355 of the Revised Statutes of Missouri.
