MEMORANDUM

TO: St. Charles County Council
FROM: Chief Kurt Frisz
RE: School Resource Officer Agreement
DATE: June 30, 2020

Dear Members of the County Council,

Last month, Francis Howell School District officials requested we revise the current School Resource Officer agreement to reflect the potential economic challenges presented by the global pandemic.

The revised agreement adjusts the fiscal arrangement between the County and the School District. In the event schools are required to close for more than 10 days due to a public health emergency, the agreement spells out the formula that will be used to calculate rate of reimbursement to the County.

Respectfully,

Chief Kurt Frisz
