RE: Ordinance Authorizing Agreement with MoDOT Regarding Breath Alcohol Testing Instrument

DATE: August 5, 2020

Dear Members of the Council and County Executive Ehlmann,

Before you is an ordinance authorizing an agreement between St. Charles County and the Missouri Department of Transportation for the placement and use of a breath alcohol instrument. The instrument has been provided by way of grant funding through MoDOT. Upon implementation, the St. Charles County Police Department will oversee its placement and compliance with grant requirements. The acceptance of the instrument will contribute to the Alcohol Impaired Driving Countermeasure grant program in the State of Missouri. With this technology, police officers within the County will be able to more effectively contribute to reducing traffic crashes, injuries, injuries and deaths on our roadways.

Respectfully,
