STP Agreement

**DATE:** January 27, 2021

---

Attached please find the proposed STP agreement with the Missouri Department of Transportation for review. This agreement provides for the reimbursement of 80% of construction costs incurred by the County, up to a maximum of \$1,000,000 from programmed Federal STP (Surface Transportation Program) funds, for work associated with the roadway reconstruction and addition of turn lanes and sidewalks along Duello Road from Route N to just north of Orf Road.

These improvements will provide for smoother traffic flow and will remove a sight distance impediment at the Orf Road intersection allowing for improved safety of the roadway.

After approval by the County Executive, please forward to the County Counselor for the preparation of a bill for introduction at an upcoming County Council meeting agenda.

MoDOT is now requiring that these documents be executed through the DocuSign process. More information on the execution method will be forthcoming and will be provided prior to the need for signatures.
