- Planning and Zoning Commission minutes from the February 17, 2021 meeting

February 26, 2021

This communication summarizes the following bill to be introduced at the March 8, 2021 County Council meeting:

REZONING REQUEST - NORTH SHORE DRIVE

Application No: RZ20-17
Property Owner: 222 Yacht Club, LLC, Arthur F. Denkmann III, registered agent
Current Zoning: A, Agricultural District, with Floodway and Floodway Fringe Overlay Districts
Requested Zoning: RF, Riverfront District, with Floodway and Floodway Fringe Overlay Districts
2030 Master Plan: Recommends Parks and Open Space and floodplain uses
Parcel Size: 29.90 acres
Location: On the north side of the terminus of North Shore Drive
County Council District: 6
Parcel Account No.: 905670A000

Approval of this bill would amend St. Charles County’s zoning map for an existing marina and campground on the Mississippi River -- 222 Yacht Club – from Agricultural District to Riverfront District. Under the current Agricultural Zoning District, a marina is classified as a permissive use while related services such as boat storage and campgrounds are conditional uses. Riverfront District standards classify such uses as permissive meaning that expansion could be achieved with an updated site plan.

The 2030 Land Use Plan for this area recommend future Parks and Open Space uses with no minimum lot size. This land use recommendation recognizes recreational uses along the Mississippi River and specifically boating marinas. Additionally, the proposed Riverfront District zoning can be seen as consistent with the Riverfront District zoning for adjacent marinas to the north and south.

The Planning and Zoning Commission held a public hearing on this rezoning application on February 17, 2021 and received the following public input:

Speakers: 1 Support 1 Opposed 0 Concerns
Letters on file: 0 Support 0 Opposed 0 Concerns

Having conducted the public hearing, the Planning & Zoning Commission voted as follows:

9 Approval 0 Denial 0 Abstentions

Recommendation:

The Planning and Zoning Commission recommends that the County Council approve this rezoning request. The Planning and Zoning Division concurs with this recommendation.

Sincerely,

Robert Myers, AICP
Director of Planning & Zoning

cc: Steve Ehlmann, County Executive
Joann Leykam, Director of Administration
Rory O’Sullivan, Acting County Counselor

STAFF RECOMMENDATION

To: County Planning & Zoning Commission

Prepared by: Ellie Marr CFM

Application No.: RZ20-17

Date: January 8, 2021

BACKGROUND INFORMATION

Owner/Applicant: 222 Yacht Club LLC; Arthur Denkemann

Requested Action: A zoning map amendment to rezone 29.90 acres from A, Agricultural District, with Floodway Fringe and Floodway Overlay (5-acre minimum lot size) to RF, Riverfront District (no minimum lot size) with Floodway Fringe and Floodway Overlay

Location: North side of the terminus of North Shore Drive, adjacent to the Mississippi River

Current Zoning: A, Agricultural District with Floodway Fringe and Floodway Overlay (5-acre minimum lot size)

Current Land Use: Private marina and recreational vehicle development

Adjacent Land Use and Zoning:

Direction	Zoning	Land Use
North	RF/FF/FW, Riverfront District with Floodway Fringe and Floodway Overlay	Recreational (Port Charles Marina)
South	A/FF/FW, Agricultural District with Floodway Fringe and Floodway Overlay	Recreational (222 Yacht Club) and Agricultural (cultivation)
East	A/FF/FW, Agricultural District with Floodway Fringe and Floodway Overlay	Agricultural (cultivation)
West	Mississippi River	Mississippi River

2030 Master Plan: Recommends future parks and open space uses for this specific property; and agricultural and recreational uses for adjacent areas.

Public Services: County Council District 6 – Nancy Schneider
School District – Orchard Farm School District
Fire District – Orchard Farm Fire District

Utilities: Water – Individual Well
Sewer– Individual Wastewater Treatment System

REZONING ANALYSIS

The rezoning request is for a parcel of 29.90 acres in size with the current, primary use of the property as a private marina. Under the current Agricultural Zoning District, a marina is considered to be a permissive use; however, services used in conjunction with a marina such as boat brokerage, sales and storage of boats, marine gas services, and campgrounds are considered to be conditional uses. Currently, should any marina wish to add a service in conjunction with the marina use, whether it's a public or private marina, or change any of its original conditional uses under its current Agricultural zoning designation, it must apply for a conditional use permit and submit a subsequent site plan. Under the Riverfront District standards, these uses are classified as permissive uses and would only require an update to their current site plan by the County.

The marinas located directly to the south and north of this marina are currently zoned RF, Riverfront District with Floodway Fringe and Floodway. Development for both of these marinas has been reviewed and approved by County staff.

The 2030 Land Use Plan for this area recommend future Parks and Open Space uses with no minimum lot size. This land use recommendation recognizes recreational uses along the Mississippi River and specifically boating marinas.

Additionally, the proposed Riverfront District zoning can be seen as consistent with the Riverfront District zoning for adjacent marinas to the north and south.

RECOMMENDATION:

The Planning and Zoning Division recommends that the Planning and Zoning Commission recommend approval of this application.

MINUTES OF REGULAR MEETING

ST. CHARLES COUNTY PLANNING AND ZONING COMMISSION

DATE: FEBRUARY 17, 2021

TIME: 7:00 P.M.

PLACE: COUNTY EXECUTIVE BUILDING
300 N. THIRD ST.
THIRD FLOOR COUNCIL CHAMBERS
ST. CHARLES, MO 63301

MEMBERS PRESENT: Tracy Boehmer (Attended Virtually; Diane Saale (Attended Virtually; Jamaal Jackson; Kevin Cleary; Roger Ellis (Attended Virtually); Craig Frahm; Chad Cornwell; Jennifer Bahr; and Terry Hollander, County Councilman

MEMBERS ABSENT: None

STAFF PRESENT: Robert Myers, Director of Planning and Zoning; Ellie Marr, County Planner; Megan Murray, Assistant County Counselor; and Mariza Almstedt, Recording Secretary

SPEAKERS: RZ20-17:

CALL TO ORDER

Vice-Chairman Kevin Cleary called the meeting to order at 7:00 PM. Following the Pledge of Allegiance, Mr. Cleary welcomed the audience; explained the procedures for speakers; and explained the functions of the Planning and Zoning Division, the Planning and Zoning Commission and the County Council. He explained to the audience that the Planning & Zoning Commission will make a recommendation on applications heard during the meeting, which will then be submitted to the St. Charles County Council for their final decision.

Vice-Chairman Cleary introduced the following documents into the record: The Unified Development Ordinance of St. Charles County (UDO), including zoning maps; and the 2030 Master Plan for St. Charles County, which includes the 2030 Future Land Use Plan Map.

PUBLIC HEARINGS

REZONING REQUEST - NORTH SHORE DRIVE

Application No:	RZ20-17
Property Owner:	222 Yacht Club, LLC, Arthur F. Denkmann III, registered agent
Current Zoning:	A, Agricultural District, with Floodway and Floodway Fringe Overlay Districts
Requested Zoning:	RF, Riverfront District, with Floodway and Floodway Fringe Overlay Districts
2030 Master Plan:	Recommends Parks and Open Space
Parcel Size:	29.90 acres
Location:	On the north side of the terminus of North Shore Drive
County Council District:	6
Account No.:	905670A000

Ellie Marr, Senior Planner, stated that the property is currently zoned A, Agricultural and does have some Floodway that is the diagonal line there crossing over the property and the rest is in the Floodplain. The marinas surrounding this property have already gone through and rezone to Riverfront zoning. And the reasoning they have all been using with the agricultural district every time a change is made on a Marina, that's not permissive use. They have to come back for another conditional use. In this case the owner would like to expand the use of RVs and place additional RVs areas along the river. Under the agricultural zoning, that would be a conditional use permit, that would have to be added to the property. By rezoning to Riverfront, those uses such as that are permissive for recreational use along the river and then have a site plan review by staff to make sure that everything is in compliance. The site plan review would also include the Building Division making sure that wastewater removal aspects are taken care of on the site plan. We also make sure that all floodplain compliances on the site plan including protecting meters, removable or elevated, not always to above base floodplain elevation but least a minimum 10 feet above adjacent grade.

Vice-Chairman Cleary asked for clarification that the reason they are doing this is because it expands the use of it without them every time, they want to do a little something more, come back for a conditional use.

Vice-Chairman Cleary asked if the Commission had any questions for staff.

Seeing none, Vice-Chairman Cleary opened the public hearing and asked the applicant to come forward.

Art Denkmann was sworn in. Mr. Denkmann stated that this request is to bring the current use of the property in compliance with zoning for the area. Most of the marinas to the north of me as well as to the west and south of this property have already rezoned to RF, Riverfront District., and he is requesting to have his property rezoned to that also.

Vice-Chairman Cleary asked if the Commission had any questions for the applicant. There were no questions.

Vice-Chairman Cleary asked if anyone from the audience wished to make public comments on this application.

Arnie C. Dienoff was sworn in. Mr. Dienoff is opposed to this rezoning request because he thinks it is a bad move for this Commission to give up the control measures ensured by the conditional use permit, which ensures everybody plays on the same field.

Vice-Chairman Cleary asked if there was anyone else in the audience who wished to speak regarding this application.

There being no further audience speakers, Vice-Chairman Cleary closed the public hearing and called for discussion from the Commission.

There being no discussion, Vice-Chairman Cleary entertained a motion to recommend approval of application RZ20-17.

Terry Hollander made a motion of approval, and Tracy Boehmer seconded the motion.

The vote on the motion was as follows:

Tracy Boehmer	- Yes	Kevin Cleary	- Yes	Jennifer Bahr	- Yes
Roger Ellis	- Yes	Dianne Saale	- Yes	Craig Frahm	- Yes
Chad Cornwell	- Yes	Terry Hollander	-Yes	Jamaal Jackson	- Yes

Application RZ20-17 was **APPROVED**.

The vote count was 9 Yeas, 0 Nays, and 0 Abstentions.
