Updated 2020 Citizen Participation Plan and Five-Year Plan Amendments:

This hearing is being held for the County Council to amend the 2019 Annual Action Plan and to amend the Five Year CDBG Consolidated Plan 2016 – 2020 to enable the County to receive and administer the additional \$1,060,488 in FY2020 Community Development Block Grant – Corona Virus (CDBG-CV) funding from the U.S. Department of Housing and Urban Development (HUD) made available through the CARES Act.

This additional CDBG-CV funding in the amount of \$1,060,488 made available to the County by HUD through the third round of CARES Act will be used for the same purpose of the initial allocations indicated in the major amendment to the 2019 Annual Action Plan which is to prevent the spread of coronavirus 19 (COVID-19) and facilitate assistance to eligible communities, households, and persons economically impacted by COVID-19.

Eligible CDBG activities include, but are not limited to, assisting low- and moderate-income households with rental assistance, mental health assistance, small business assistance, and support of other COVID-19 response services. Eligible CDBG-CV activities include public service agency assistance, and the increased capacity needs using Homeless Management Information System and administration for the Coordinated Entry and for professional case management services to assist residents with an urgent need for housing assistance.

Further, eligible CDBG and CDBG-CV costs incurred as of March 27, 2020, the date in which President Trump signed the CARES Act, and paid for with nonfederal funds, may be repaid with CDBG and CDBG-CV funding, including those made under the CARES Act. These pre-award costs will meet all HUD requirements applicable to CDBG and CDBG-CV, including those under the CARES Act. Unless waived by HUD, CDBG pre-award costs for FY2020 may not exceed 25% of the FY19 and/or FY20 annual entitlement allocations and will be used for the CDBG eligible activities as indicated above.

Public notices regarding updates to the Citizen Participation Plan and amendments to the Five Year Consolidated Plan 2016-2020 will be printed in local newspapers and posted online on the St Charles County Community Development website at <https://www.sccmo.org/203/Community-Development>. Specific activities using CDBG-CV funding under the CARES Act are required to have a minimum of a 5-day public comment period.
