

MEMORANDUM

TO: Members of the County Council
FROM: Sara Evers, Department Acting Director 
RE: Core Public Health Functions Grant
DATE: 6/30/2021

Members of the Council,

The Department of Public Health is seeking approval to accept grant funds from the Missouri Department of Health and Senior Services for the Core Public Health Function program. This grant program is in place to support local core public health activities. This program also allows for reimbursement of activities related to the Children's Health Insurance Program (CHIP) Health Services Initiatives (HSI) such as chronic disease control and prevention, health education, maternal and child health education, and testing or prevention programs for lead poisoning.

This grant funding is critical to the operation of the Department of Public Health and will also support future funding initiatives that may arise.

If you have any questions, please do not hesitate to contact me at severs@sccmo.org or 949-7559.
