**ADDENDUM #1**

**RFQ 14-151 Architectural and Engineering Services Related to Renovation of the Adult Detention Center**

Addendum 1 is being issued to address the questions received.

1. Will there be a "walk-through" ? If so, when?

A walk is not required to submit the RFQ. A walk-through may be included as part of the interview process.

2. You mention a "master renovation plan". Is this available?

Currently this plan does not exist. The generation of the master renovation plan will be a product of this relationship.

3. You mention assessing the existing electrical power distribution system for immediate and future needs. Do you have specific long term goals for the facility that you can share?

We hope with help of the selected firm to help identify these goals and limitations

4. Are you wanting a fee range in a separate envelope?

No.
