Join Monthly Book Club at County Heritage Museum

St. Charles County, Missouri — Enjoy reading books on a variety of topics and discussing them with other avid readers? Join the Monthly Book Club at the Museum held at the St. Charles County Heritage Museum, 1630 Heritage Landing, off Highway 94. The group will meet on Tuesday, Aug. 14, from 7 – 9 p.m., to discuss the book *Clover Adams: A Gilded and Heartbreaking Life* by Natalie Dykstra.

The Monthly Book Club at the Museum engages the group of readers to a diverse library of Fiction and Non-fiction works from many different authors. All books are selected by the group the previous month, alternating months between fiction and non-fictional works. Participants have a month to read the book and formulate their opinions and questions. The club will also allow individuals to come and discuss the book with their peers.
