Volunteers Needed to Assist with Trail Construction in Parks

St. Charles County, Missouri – Make a mark on a St. Charles County Park by participating in upcoming Trail Workdays in April and May. The St. Charles County Parks Department is seeking volunteers to assist with trail development from 9 a.m. to 1 p.m., Saturday, April 7, at Klondike Park, 4600 Highway 94 South in Augusta and Saturday, April 28, and May 19, at Matson Hill Park, 700 Matson Hill Rd. in Defiance. Lunch will be provided to all who lend a hand. Members of the Gateway-Off Road Cyclist (GORC) are also assisting the Parks Department with the program.

Volunteers assisting with upcoming Trail Workdays are encouraged to bring a set of gloves, a pair of sturdy boots, and some safety glasses. They will be building new trail to replace some eroded old trail on the Powerline Trail system at Klondike Park and building new trail to extend the existing trail at Matson Hill Park.

To help with a St. Charles County Parks Trail Workday, email Bekin Youngblood, Park Program Coordinator, at byoungblood@sccmo.org, or contact the St. Charles County Parks Department at 636.949.7535.
