## St. Charles County Opens New Disc Golf Course at Indian Camp Creek Park

*St. Charles County, Missouri* – The St. Charles County Parks Department is hosting a grand opening celebration Saturday, June 15 and Sunday, June 16, to unveil its new 18-hole disc golf course. Be one of the first guests to see the new course at Indian Camp Creek Park (2679 Dietrich Rd., Foristell, MO 63348) by participating in one of two events scheduled opening weekend. The St. Charles County Parks Department is teaming up with the St. Charles County Disc Golf Club to host a tournament on Saturday and a public open house on Sunday for anyone interested in learning the basics of disc golf. The state-of-the-art course features long and short tee pads at each hole, as well as three pin placements which will be rotated throughout the year.

On Saturday, June 15, test your skill by participating in the grand opening tournament which features two rounds of 18 holes. Registration is from 8:30 – 9:45 a.m., and tee off is 10 a.m. Tournament fee is \$20 per player and includes lunch and beverages. The tournament is limited to the first 90 registered players and the course will have limited access to the public during the course of play. To register, contact Andy Majesky at 314-413-4773 or email the request to [andymajesky@live.com](mailto:andymajesky@live.com).

On Sunday, June 16, celebrate Father's Day with a game of disc golf at the new park course. Members of the St. Charles County Disc Golf Club will be available from 9 – 11 a.m. to give instruction and answer questions about the game. The first 100 guests will receive a custom stamped commemorative disc courtesy of Gateway Disc Sports.

At the request of the public and the growing popularity of the sport, the new disc golf course at Indian Camp Creek Park was built. It is the second disc golf course to be built within the St. Charles County Parks system. The first course was created more than 10 years ago at Quail Ridge Park, a 250-acre park near Wentzville. The new course at Indian Camp Creek Park winds through a section of prairies and woodlands within the 603-acre park. It is anticipated that league play will also take place at Indian Camp Creek Park in the future.
