*Mountain bike riding throughout St. Charles County Parks has become extremely popular. The St. Charles County Parks Department has more than 41 miles of paved and natural-surfaced trails for outdoor enthusiasts to enjoy.*

## **Take A Moonlight Mountain Bike Ride After Hours At Indian Camp Creek Park**

**St. Charles County, Missouri** – Grab your bike, a light and hit the park trails at night! Ride by the light of the full moon through the woods and prairies of St. Charles County Parks with mountain bike experts leading the way. The next ride is scheduled from 8:30 to 11 p.m. at Indian Camp Creek Park, 2679 Dietrich Rd., (off Highway 61) near Wentzville on Friday, Aug. 23. Due to excessive river and storm debris blocking the trails to the Louis H. Bangert Memorial Wildlife Area (Bangert Island) near St. Charles, the ride has been relocated to Indian Camp Creek Park. Helmets and lights are required. Participants are responsible for providing their own equipment for each ride, which is open to cyclists of all ages and skill levels.

No registration is needed to participate in these free guided trail ride opportunities led by members of Gateway Off-Road Cyclists (GORC) and St. Louis Area Mountain Biker's (SLAMB). If unfavorable trail conditions exist on the day of the ride, please contact the St. Charles County Parks Closure/Cancellation Hotline at (636) 949-7475 before heading out.
