

O'Fallon Drive To Close May 21 For Road Work

May 9, 2012

Contact: Benny Hedden, Assistant County Engineer, 636.949.7305

St. Charles County, Missouri - Portions of O'Fallon Drive will be closed Monday, May 21, beginning at 7 a.m. to allow for installation of a culvert pipe. The entire road will be re-opened the same day by 4:30 p.m. The construction area for the pipe crossing is located at the intersection with Forest Lane.

O'Fallon Drive will remain open on either side of the closure area, but no through traffic will be allowed through the area of the culvert replacement. Motorists may take W Crestview to N Kern to O'Fallon Drive to by-pass the closure. Signs notifying motorists of the closure and detour route will be posted.

This road project is part of a continuing effort by St. Charles County Government to improve the county's road system for the safety of the traveling public. Contact the St. Charles County Highway Department at 636.949.7305 for additional information concerning road projects underway in unincorporated St. Charles County.
