

Weldon Spring Road to close four days for road work

Aug. 6, 2012

Contact: Jeff Spalding, Highway Superintendent, 636.949.7305

St. Charles County, Missouri - Portions of Weldon Spring Road will be closed Monday at 9 a.m. on Monday, Aug. 13, to allow for installation of a culvert pipe. The entire road will be re-opened by 4:30 p.m. Thursday, Aug. 16. The construction area for the pipe crossing is located approximately 240 feet north of the intersection of Weldon Spring Road and Fieldstone Farms Drive.

Weldon Spring Road will remain open on either side of the closure area, but no through traffic will be allowed through the area of the culvert replacement. Motorists may take Fieldstone Farms Drive to Bentley Park Drive to by-pass the closure. Signs notifying motorists of the closure and detour route will be posted.

This road project is part of a continuing effort by St. Charles County Government to improve the county's road system for the safety of the traveling public. Contact the St. Charles County Highway Department at 636.949.7305 for additional information concerning road projects underway in unincorporated St. Charles County.
