St. Charles County Parks Department Hosts Annual Easter Egg Hunt March 28

St. Charles County, Missouri – Don't miss out on all the egg hunt fun at the Youth Activity Park this year! More than 4,000 candy-filled eggs will be hidden throughout the park's 25-acre facility, located at 7801 Highway N in Dardenne Prairie, during the St. Charles County Parks and Recreation Department's annual Easter Egg Hunt, Saturday, March 28. Parents can register toddlers to children up to 12 years old to participate in this entertaining event.

For just \$5, participants will get to experience the outside hunt, as well as enjoy a variety of egg-themed games with prizes inside the park complex. The Easter Bunny will also be visiting with children and available for photos from 10 a.m. to noon.

Rain or shine, there will be three separate hunts scheduled for the children that morning. Hunts for toddlers ages 3 and under begin at 10 a.m.; children ages 4 – 6 at 10:30 a.m.; and kids ages 7 – 12 at 11 a.m. With nearly 1,400 eggs to find in each age group, every child should go home with some goodies!

This year, Chick-fil-A of O'Fallon is sponsoring the Easter Egg Hunt at the Youth Activity Park, and will be providing every registered child with a coupon for a FREE Chick-fil-A Kid's Meal! Children and their families may redeem the coupon that day or at a later time.

There will also be lots of prizes to win during each hunt! The children who find an egg with a message inside win additional prizes. At least one child in each age group will have a chance to win a basket filled with toys and goodies if they find the winning egg!

Each hunt is limited to 100 participants, so advanced registration is encouraged. To register your child today, visit us at www.stccparks.org and click on the Register Online Go! button on our website, or contact the Youth Activity Park at (636) 561-4964.
