DEER CREEK ROAD EXTENSION OPEN BETWEEN HIGHWAY P AND ELAINE DRIVE

ST. CHARLES COUNTY, MO – The St. Charles County Highway Department opened the Deer Creek Road Extension project. The project connects Deer Creek Drive and Elaine Drive to provide a link over Peruque Creek, and adds an additional north-south roadway between Highway P and the I-70 North Outer Road. The route is west of Highway M (Main Street) and east of Hoff Road in O’Fallon.

“This new roadway provides residents with a convenient way to access Interstate 70 from Highway P,” said County Engineer Craig Tajkowski. “But more importantly, the extension gives area public safety and emergency services agencies a quickly accessible alternate route in order to reach residents in the area when help is needed.”

St. Charles County’s ½-cent Transportation Sales Tax, reauthorized by a 77 percent vote in August 2012, funded the project. The County is using changeable message boards to inform residents of the opening.

For more information about this project, or any road in unincorporated St. Charles County, please call the Highway Department at 636-949-7305.
