ST. CHARLES COUNTY ASSESSOR TO MAIL 2018 PERSONAL PROPERTY ASSESSMENT FORMS Online Filing Available, Forms Due By March 1

ST. CHARLES COUNTY, MO – The St. Charles County Assessor will mail approximately 158,000 personal property assessment forms by Jan. 29. Assessments are due by March 1.

Individual personal property owners have the option to file online after receiving the assessment form in the mail. The e-filing website and unique secure access code for the individual personal property owner’s account is printed on the form. The e-filing link also is available through the Assessor’s website, sccmo.org/Assessor. Those who filed online in previous years should note that the unique secure code changes each year.

The unique secure access code for e-filing is located in the circled box at the top of the Personal Property Assessment form.

By state law, personal property assessments must be filed with the Assessor every year. Those who fail to complete their personal property assessment may be charged a late-filing penalty up to \$105. Additionally, failing to file a personal property assessment form may delay the ability to renew or register license plates for a vehicle.

“The tax rate for everyone in the county is impacted by those who do not declare their personal property,” says Scott Shipman, St. Charles County Assessor. “Submitting the form by the deadline is important because it assures a fair and equitable distribution of taxes.”

If needed, blank personal property assessment forms can be downloaded from the Assessor’s website. For questions, please call 636-949-7420.

About St. Charles County:

Founded in 1812, St. Charles County is one of the fastest growing counties in Missouri, and the state’s third largest county in both population and economic share. St. Charles County consistently ranks one of the healthiest places to live in Missouri in the County Health Rankings report published by the Robert Wood Johnson Foundation and the University of Wisconsin Population Health Institute. It is home to 12 scenic county parks encompassing more than 2,800 acres with additional land under development and more in reserve for future development.

With a population of 385,840, St Charles County is home to large employers including General Motors, Citi, MasterCard Worldwide and Boeing. It is ranked among the top 25 counties in the nation in high-tech job growth by the Progressive Policy Institute and consistently has the lowest unemployment rate in the Metropolitan St. Louis area.

St. Charles County Government employs nearly 1,100 in more than 30 departments and offices, who work to make the county an excellent place to live, work and shop. For more information, please visit www.sccmo.org.
