FOR IMMEDIATE RELEASE – November 8, 2018

HEPPERMAN ROAD REOPENS TO TWO-WAY TRAFFIC

ST. CHARLES COUNTY, MO – The St. Charles County Highway Department has reopened the portion of Hepperman Road between Peruque Creek and Golf Club Drive in that was restricted to one-way traffic in August. Construction is nearly complete on the addition of new pavement and shoulders.

“We are glad to have this phase of the construction behind us,” says County Engineer Craig Tajkowski. “It was challenging due to the significant horizontal and vertical changes made to the roadway. Some additional asphalt work remains and delays may be encountered, so we encourage motorists to drive slowly and cautiously through this active construction zone.”

This road project is part of a continuing effort by St. Charles County Government to improve the County’s road system for the safety of the traveling public. For more information about road projects underway in unincorporated St. Charles County, please call the Highway Department at 636-949-7305 or visit sccmo.org/Road-Projects.

About St. Charles County:

Founded in 1812, St. Charles County is one of the fastest growing counties in Missouri, and the state’s third largest county in both population and economic share. It is home to 15 scenic county parks encompassing more than 3,643 acres with additional land under development and more in reserve for future development.

With a population of 395,504, St Charles County is home to large employers including General Motors, Citi, MasterCard Worldwide and Boeing. It is ranked among the top 25 counties in the nation in high-tech job growth by the Progressive Policy Institute and consistently has the lowest unemployment rate in the Metropolitan St. Louis area.

St. Charles County Government employs nearly 1,100 in more than 30 departments and offices, who work to make the county an excellent place to live, work and shop. For more information, please visit sccmo.org.
