PRESCHOOLERS DISCOVER NATURE AND THE OUTDOORS AT BROEMMELSIK PARK
Little Explorer Nature Program held first Thursday of the month in the spring, fall, and winter

ST. CHARLES COUNTY, MO – Children ages 5 and under will love becoming little explorers as they learn and play in the park! Bring your adventurous tots to Broemmelsiek Park near Defiance, from 10–11 a.m., Thursday, March 7, April 4, May 2, Oct. 3, Nov. 7, and Dec. 5, for St. Charles County Park’s Little Explorer Nature Program.

This popular parent-child program focuses on a different theme each month. Preschoolers explore all things outdoors: birds, reptiles, insects, plants, animals, seeds, pollinators, dinosaurs, and more! Dress for the weather – we’re going to take a short hike, play fun activities, read a story, and enjoy a snack together.

Broemmelsiek Park is located at 1795 Highway DD near Defiance and participants should meet at the park’s visitors center. Cost is \$3 for each monthly program; each session is limited to 24 children. Pre-registration is required by calling the St. Charles County Parks and Recreation Department at 636-949-7535 or by signing up online at <http://bit.ly/2019ParkRegistration> for one or all the programs.

About St. Charles County Parks & Recreation

The St. Charles County Parks & Recreation Department was created in 1997 after voters approved a local use tax with the sole purpose of park land acquisition, development, operations and maintenance. The department’s mission is to preserve natural and historic features in areas throughout the county for the use of future generations. Today, the department operates 15 parks and consists of 3,643 acres of acquired park land. From historic homesteads to a youth skate park; from camping, hiking, biking, and fishing to weddings and educational classrooms, there’s something for everyone in St. Charles County Parks.

For more information and specifics about each park, amenities, trails, and more, visit stccparks.org.
