THIRD POSITIVE COVID-19 CASE REPORTED IN ST. CHARLES COUNTY

ST. CHARLES COUNTY, MO – The St. Charles County Department of Public Health has been notified of a third positive test for Coronavirus Disease 2019 (COVID-19) in the county. The resident is a male in his 20s who traveled to Spain; he has been quarantined since his return.

Public Health epidemiologists have begun contact investigations and notifications regarding this case.

For more information and precautions for COVID-19, as well as updates, when available, visit sccmo.org/COVID. Residents who show symptoms or have questions should call the St. Charles County Department of Public Health COVID-19 Information Hotline at 636-949-1899, which operates daily from 8 a.m. to 8 p.m.

About St. Charles County:

Founded in 1812, St. Charles County is one of the fastest growing counties in Missouri, and the state's third largest county in both population and economic share. It is home to 15 scenic county parks encompassing more than 3,643 acres with additional land under development and more in reserve for future development.

With a population of 395,504, St Charles County is home to large employers including General Motors, Citi, MasterCard Worldwide and Boeing. It is ranked among the top 25 counties in the nation in high-tech job growth by the Progressive Policy Institute and consistently has the lowest unemployment rate in the Metropolitan St. Louis area.

St. Charles County Government employs nearly 1,100 in more than 30 departments and offices, who work to make the county an excellent place to live, work and shop. For more information, please visit sccmo.org.
