## **Additional Information:**

### ***St. Charles County Recognizes State Partners, Residents for Participating in Community Testing***

From May 26-30, the Missouri Department of Health and Senior Services and the Missouri National Guard conducted community testing at two St. Charles County locations. More than 2,500 individuals took advantage of these free opportunities, and those results are now being reported. Additional community testing events are being held around the state this month. Visit [the Missouri DHSS website](#) for information on these events and other testing options.

### ***St. Charles County Thanks Volunteer Contributors***

Volunteers have played important roles in St. Charles County's response efforts during the COVID-19 pandemic. Individuals have provided more than 2,000 hours of service to the Department of Public Health, Regional Emergency Management and other County Government programs by answering questions on the Information Hotline, conducting health screenings in County buildings, performing contact tracing and assisting staff with other crucial tasks. [Thank you to all who have contributed](#) their time and service!

### ***County Buildings Reopen; Online and Phone Services Continue***

As of Monday, June 1, most St. Charles County Government buildings have reopened to the public. Please be aware that building restrictions are in place, and appointments may be required for some services. Prior to entering a County facility, individuals will undergo a health screening, and those displaying a fever, or other COVID-19 symptoms, are not permitted to enter the building. In addition, all department continue to assist residents [online](#) or by phone at 636-949-7900.

### ***Community Resources Available***

To help St. Charles County residents and businesses during the COVID-19 pandemic, [a web page](#) offers links and phone numbers for organizations offering assistance. St. Charles County's COVID-19 Information Hotline at (636) 949-1899 is answered from 8 a.m. to 6 p.m., Mon-Fri. In addition, the Missouri Department of Health and Senior Services operates a 24-hour COVID-19 hotline at (877) 435-8411.
