

St. Charles County COVID-19 UPDATE

(as of 4:35 p.m., June 15, 2020)

COVID-19 Case Report

The Department of Public Health reports the following:

| | |
|--|--------|
| Number of positive test results | 918 |
| Number of negative test results | 14,295 |
| COVID-19 deaths | 67 |
| Persons being quarantined | 523 |
| Persons released from quarantine | 2,258 |
| Number of tests pending at the Missouri State Laboratory* | 0 |

**Tests are being performed at both the Missouri State Laboratory and through private testing laboratories. The number of pending tests reported to the Department of Public Health is from the Missouri State Laboratory only; private labs do not report pending tests to local health departments.*
